If you haven't given 3D a try yet, then you really should, and you can give it a spin, literally by playing the Sterling Silver 3D slot game here at Royal Vegas AU. I had seen the game mentioned a bunch of times, but had only ever been able to play the 2D version of it. That was until I walked out of the movies and forgot to drop my 3D glasses in the recycle bin. When I realized I still had them, I popped them on and gave the reels a spin, and was completely amazed by how great the game looked. The notion that half-woman, half-fish creatures exist beneath the ocean's surface has fascinated people for thousands of years in many different cultures. Archaeologists have discovered texts from Phoenicia, the ancient nation of seafarers, in which Phoenician sailors write about seeing such beings and even worshipped them under their merperson god Dagon. Mer (sea) people are mentioned in Babylonian mythology which recounts stories of the god Ea who had the torso of a man and the lower body of a fish. Ea later morphed into Greek mythology where he was referred to as Oannes but was still believed to be half-man and half-fish. Mamma Mia 2D created by 1x2 gaming soft is another interpretation of the famous movie Mamma Mia! Features and Symbols: Mamma Mia 2D is 3-row and 5-reel video slot with 25 pay lines. You can change the number of pay lines with the controls on the dashboard. You can bet from 0,01 to 62,50 and get the maximum winning of x750. The theme of this online game is an Italian pizzeria. On the background, there is the entrance to the building and all symbols stare at you through windows of this pizzeria. Music is extremely relaxing and enjoyable and it reminds you of an old-fashioned Italian movie. All 1x2 gaming games have well-designed symbols that correspond to the theme. This particular slot has typical cards J, Q, K, A, pizza, bag, lady, who looks like a picture of Mona Lisa, green motorbike, woman with black glasses and the statue. All these symbols will pay you from 4 to 750 coins, depending on the winning combination. The red sports car is the Wild card. It substitutes for any symbol on the dashboard, except the Free Spins. If there are a few combinations simultaneously, the Wild symbol chooses the one with the highest payout. The Free Spins symbol is a funny bald man. This symbol triggers 5, 10 or 15 free spins. All wins during free spins mode are multiplied by 4, so that you will win even more. You can enjoy playing Mamma Mia 2D by 1x2 gaming or any other casino slot machine at SlotsUp.com and become the chief of the cozy pizzeria. car competitions

As most of the Play'n Go casino slots this one will impress you by its composition made in an excellent way. Everything is performed sufficiently. When spinning the reels you'll feel yourself the hunter looking for some precious treasures.
