Summary: Really not sure about this race. If Kilimanjaro has anything like the ability his form shows, he should eat these for breakfast. He has Derby form in England and Ireland but hasn't raced for two years. I'll pick him, but tentatively. Zourkhan was an impressive winner last time. Got a great run and race run to suit, but clearly is back in form. Pace is an interesting factor in this race and with not a lot of it on paper, Zagspeed could get a cushy run up front and give them something to chase. Master Zephyr has been up forever, but is consistent enough to be in the finish here. As the ruler, you need to gather the followers to spread your authority across the land and get the treasures. The marketing would take place while Fox Sports covers the National Rugby League and the Australian Football League games. It has been made clear that although Fox Sports is owned by News Corp Australia, the joint venture would be limited to Fox Sports, and the company's print publications would not have any involvement with the deal.
