NetEnt's Dracula, as do most branded slot games, features footage from the original movie, which brings a realistic touch to the reels. In this game, Dracula broods by the reels and turns into a cluster of bats when the rewarding Bat feature is activated. When this happens, a random number of bats fly in and land on the reels, and when the reels stop turning, these bats turn into a random symbol. Whispers of a Mortal Kombat movie reboot have been making the rounds for years now, reaching a fever pitch when Mortal Kombat Rebirth was revealed as a gritty realistic take on the franchise. Director Kevin Tancharoen even submitted the concepts to both Warner Brothers and Midway in the hopes that funding for a new feature length Mortal Kombat movie could be acquired. At the time, this was not the case. The overwhelmingly positive reception however, allowed him to create the web-series Mortal Kombat Legacy which ultimately led to New Line Cinema revealing their interest in a reboot in 2011. Next up is the scatter symbol: a tachometer. Unlike many pokies, you'll need to hit your scatter symbols in order from left to right across the reels to win, though you still won't have to hit them all on the same payline. As with most scatter symbols, the prizes you'll win by hitting two or more in a row are based on the total amount you wagered on that spin. The maximum prize – obtained if you hit five in a row – is 50x your initial bet! Jackpot Paradise is headquartered off the island of Malta and as such is regulated by the Malta Gaming Authority and of course the UK Gambling Commission. Immortal Romance: Have you ever read Twilight or watched True Blood and wondered, "why can't my online pokies be like this?" We understand this isn't exactly a common sentiment, but there's no denying that vampires are hot right now, and Immortal Romance is a 243 Ways pokie that captures the atmosphere of the vampire romance genre. This game features four original characters, each of which is tied to a unique bonus round. There's even original pop music and a storyline that you can follow along with while you're winning prizes! The Japanese gambling market has not always been as limited as it is today yet it wasn't really too diverse as well. The first gambling law of Japan was approved far back in the 1907 and most of its provisions are valid today making it one of the most old-fashioned gambling laws in the world. This law only allowed horse race and bicycle betting with motorboat and motorcycle added later. Today sports betting is allowed offline and in some of the Japan based online casinos too.
