The Gambling Commission is doing its job well by checking the casinos fairness and only issuing the license to the best ones. The UK Gambling Commission license is a true seal of approval for every casino — if you see it on the casino's website, you can be sure you've come to the right place and there is no need to worry about your money or personal information as they are all going to be safe. There are several types of wilds: Expanding wilds, once activated, take up the whole reel, turning all the symbols on their way into wilds. Sticky wilds keep their place for a number of spins, giving you a chance to win more frequently. A subtype of sticky wild is the shifting wild, which travels horizontally across the reels during every spin, and eventually disappears. Finally, stacked wilds fill up the whole reel by popping up one on top of the other. That's it at the moment. But if you look how fast the gambling industry develops, you'll agree that we might be checking out some brand new features pretty soon!
